PAPER, BOARD & PACKAGING

Rapidly changing business climates and evolving technologies are causing significant changes in the global forest, paper and packaging sector, an industry producing revenues of $1000 billion with worldwide employment of over 3 million people. To remain competitive, forest products companies must continue to expand on business, technological and environmental fronts.

PERSPECTIVE has done more reference work in this industry than any other search firm, thus taking a leading position in the recruitment of high calibre managers for international paper, board and packaging companies. With this profound insight into the forest products industry, **PERSPECTIVE** is working with strategic players and decision makers around the globe to satisfy their business expectations. We have recently filled such positions as CEO, Sr. Plant Manager, VP Sales & Marketing, CFO, Head of Purchasing and others in senior manufacturing and engineering.
