NON EXECUTIVE BOARD MEMBERS

Board members without any executive or managerial responsibility for a company's operations are being given increasing responsibility. According to current Codes of Corporate Governance and recommended best practice, the roles and responsibilities of Non-Executive Board Members are becoming more rigorous. They are now expected to exercise rigid control, review detailed plans and budgets as well as implement strategy to attract new business.

PERSPECTIVE has developed a comprehensive directory of carefully selected Non- Executive Board Members. Once a company makes the decision to hire a qualified Non-Executive director, our expertise is to place experienced managers with the right skill set to the Non-Executive Board.
